

BAFCA APP QUICK START GUIDE

1 - Once the app is downloaded, open it, and tap 'Sign Up' to get started.

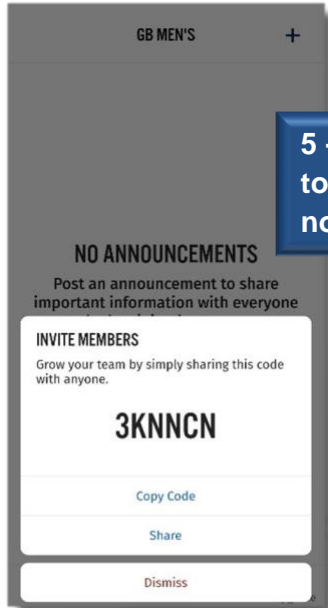

2 - Complete the registration form and tick the Ts & Cs box. Remember that passwords are case sensitive, and the DOB is month first.

3 - To set up your own team, tap 'Create a Team'. You can do this even if you plan to join another team on the app.

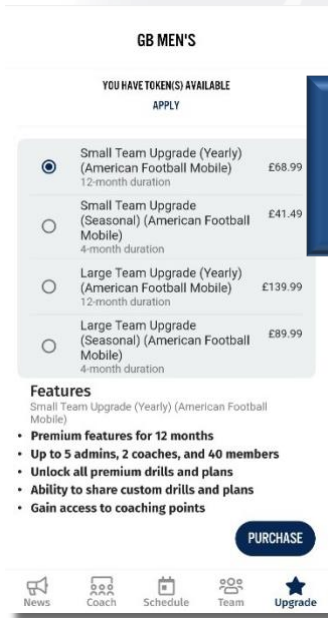

4 - Enter your team name, the age group of the team and the format the team plays. Create your team and confirm. You can edit this information later.

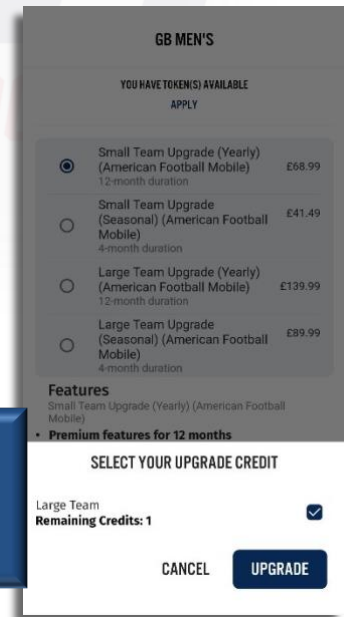

5 - The code you get allows others to join your team. You can share it now or access it later when

6 - To get full access to the app, tap 'Upgrade' on the navigation bar at the bottom of

7 - As a BAFCA member you will have an upgrade token showing at the top of the screen. Tap 'Apply' to use your token for the current team.

8 - Check the box and tap 'Upgrade'. You now have full access to the app for yourself and your team.
